United Nations Day

OFS is a proudly-diverse community. Specifically during the United Nations Day performance, we celebrate some of our diversity by honoring the countries that are represented among us. In 2005, we began a tradition of having parents parade flags of countries that are represented within their family. *If you would like to participate, please name the country that you would like to represent.*

Special Skills, Interests or Expertise

Please tell us about your skills, interest or expertise that could benefit the students directly or the wider school community. OFS parents have maintained a tradition of teaching students about these subject matters in a lecture, seminar or field trip setting.

Volunteering Opportunities & Fundraising Efforts

After reviewing the Parent Volunteer Guide for the descriptions of volunteering opportunities and fundraising efforts, please elaborate about any activities that might be of interest to you.

Please bring the completed forms to the School Office.

Thank you! We look forward to working with you this upcoming year!
